### GRIEVANCE PROCEDURE

#### A. Definitions

1. **Grievance-** Grievance under this procedure shall be limited to a claim by a Bargaining Unit Employee or a group of Bargaining Unit Employees that there has been a misinterpretation or misapplication of this agreement. In the event a written grievance is filed, it must list the specified provision or provisions and relief sought for the alleged violation.

#### B. Purpose and Scope

1. Every bargaining unit employee covered by this agreement shall have the right to present grievances in accordance with these procedures.
2. Failure of a bargaining unit employee (or in event of an appeal to arbitration, the Association) to act on any grievance within the prescribed time limits will act as a bar to any further appeal and an administrator's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. Time limits set forth herein can be reduced so that the grievance procedure may be exhausted prior to the end of the school year or within a maximum of fifteen (15) days thereafter. The time limits, however, may be extended or reduced by mutual agreement.

3. As used herein, 'day' shall mean bargaining unit employee employment day, except during the summer recess when it shall mean days on which the Board's business office is open.
4. **Meetings and Hearings:** All meetings and hearings under this procedure shall be conducted in private and shall include only the grievant, witnesses, their designated or selected representatives and parties of interest from within the board and the administration. Any aggrieved person may be represented at all stages of the grievance procedure by the bargaining unit employee, or at his/her option by a representative selected or approved by the Association. When a bargaining unit employee is not represented by the Association, the Association shall have the right to be present as a party of interest at all levels and shall be notified of all meetings and hearings. It is agreed that any investigation or other handling or processing of any grievance by the grieving bargaining unit employee shall be conducted so as to result in no interference with or interruption whatsoever of the instructional program and related work activities of the grieving bargaining unit employee or bargaining unit employees.

**C. Procedure**

1. **First Step:** An attempt shall be made to resolve any grievance in an informal, verbal discussion between the grievant and the building principals or involved supervisor. When requested by the bargaining unit employee, the Association representative may accompany the bargaining

unit employee to assist in the informal resolution of the grievance.

2. **Second Step:** If the grievance cannot be resolved informally, the grievant shall file the grievance in writing on Schedule A with the involved supervisor or building principal. The written grievance, shall state the nature of the grievance, shall note the specific clause or clauses of the grievance and shall state the remedy requested. The filing of the formal, written grievance at the second step must be within fifteen (15) days from the date of the occurrence of the event giving rise to the grievance. The appropriate building principal or involved supervisor shall indicate his/her disposition of the grievance in writing within five (5) school days of the presentation of the formal grievance and shall furnish a copy thereof to the grievant and the president of the Association.
3. **Third Step:** In the event a grievance has not been satisfactorily resolved at the second step, the grievant may file, within ten (10) days of the involved supervisor or building principal's written decision at the second step, a copy of the grievance with the Superintendent. Within five (5) days after such written grievance is filed, the grievant and the Superintendent or designee shall meet to resolve the grievance. The Superintendent or designee shall file an answer within ten (10) days of such grievance meeting and communicate it in writing to the bargaining unit employee and the Association. The grievant may be accompanied at such meeting with a representative. A representative of the

Association may also attend such a meeting.

4. **Fourth Step:** If the grievance is not resolved satisfactorily at Step 3, there shall be available a fourth step of impartial binding arbitration. The Association may submit, in writing, a request on behalf of the Association and the grieving bargaining unit employee to the Superintendent within thirty (30) days from receipt of the Step 3 answer to enter into such arbitration. The arbitration proceeding shall be conducted by an arbitrator to be selected by the two parties within seven (7) days; after said notice is given. If the two parties fail to reach agreement on an arbitrator within seven (7) days, the American Arbitration Association will be requested to provide a panel of at least five (5) arbitrators from which a striking process will begin. The requesting party shall strike first within four (4) days. Each party, thereafter, will have one day to strike a name. The remaining name shall be the Arbitrator.
5. If the Association or any bargaining unit employee has cause to file a grievance, the Association and/or bargaining unit employee shall file the grievance on form A described and included in the Master Contract on page 11. Failure to do so would relieve the Board of the responsibility to process the grievance.

6. Expenses for the Arbitrator's services shall be borne equally by the School District and the Association.
7. The Arbitrator so selected shall confer with the representatives of the Board and the Association and hold hearings promptly and shall issue his/her decision not later than fifteen (15) school days from the date of the close of the presentations, or if oral hearings have been waived, then from the date the final statements and proofs on the issues are submitted to him/her. The Arbitrator's decision shall be in writing and shall set forth his/her findings of fact, reasoning, and conclusions on the issues submitted. The Arbitrator, in his/her decision shall not amend, modify, nullify, ignore, or add to the provisions of the Agreement. His/her authority shall be strictly limited to deciding only the issue or issues presented him/her, and his/her decision must be based solely and only upon his/her interpretation of the meaning or application of the express relevant language of the Agreement.

**D. Reprisals**

No reprisals of any kind shall be taken by the Board or the Administration against a bargaining unit employee(s) because of his/her participation in this grievance procedure.

**E. Class Grievance**

**If, in the judgement of the Association, a grievance affects one or more bargaining unit employees or one or more building Principals, and grievances involving an administrator above the building level, the President of the Association may initially file the grievance at Step 3. (The filing of the formal written class grievance must be within fifteen (15) days from the date of occurrence of the event giving rise to the grievance.)**

2. Credit for experience. Credit up to the tenth (10th) year of any salary level on the bargaining unit employee salary schedule shall be granted for previous outside teaching experience upon initial employment, provided the experience has been within the last ten year period. If the need exists, the Board of Directors may go beyond the tenth year of experience; recognizing the need to hire the best candidate and the difficulty of filling certain positions. The CLEA will be notified of said need to go beyond the tenth year of experience prior to the Board of Directors consummating the contractual offer. Said bargaining unit employee must provide the employer with official documents of said experience and Iowa certification before contract is official.

C. Advancement on Salary Schedule:

1. Increments - Bargaining unit employees will be granted one increment or vertical step on schedule G for each year of service until the maximum for their educational classification is reached. One year of service in the Central Lee Community District consists of 100 contract days of employment. All leaves except extended leaves without pay shall be considered as days of service for this article.

2. **Educational Lanes - Bargaining unit employees on the regular salary schedule who move from one educational lane to a higher educational lane, will move to corresponding eligible step on the higher educational lane. Bargaining unit employees may not apply any graduate hours earned prior to a master's degree completion to be used to move to an educational lane above a master's degree. Any hours applied to the salary schedule must be earned after the date the master's degree is awarded.**

**For a bargaining unit employee to advance from one educational lane to another, he/she shall:**

- a) **File an application For Educational Advancement by Additional Training and Study (yellow form) before taking additional college courses.**
- b) **The District will respond on (green form) - Indication of Additional Training and Study.**
- c) **Bargaining unit employees attaining a new level on the salary schedule must complete and return the lower portion of (green form) - Indication of Additional Training and Study.**
- d) **File by October 30 with the Superintendent an official transcript of grades indicating successful completion of additional educational graduate credit in his/her graduate program and/or teaching field or assignment. A letter from a**

college/university official stating that work has been completed will be accepted until the transcript can be secured if obtaining an official transcript by October 30 is an impossibility.

Classes which use Pass/Fail method of grading will be accepted for credit in lane advancement.

**D. Method of Payment:**

1. Each bargaining unit employee shall be paid in 24 equal installments on the 10th and 25th of the month. Bargaining unit employees shall receive their checks at their regular building and on regular school days unless direct deposit is elected.
2. Exceptions:
  - a) When a payday falls on or during a school holiday vacation or weekend, bargaining unit employees shall receive their paychecks on the last previous working day.
  - b) Summer checks, other than summer school teachers, shall be mailed by the eighth (8th) and twenty third (23rd) of the month to the address designated by the bargaining unit employee.
  - c) Final pay - Each bargaining unit employee may, upon written request to the board, receive consideration for receiving all or any part of his/her earned, contracted

salary on the last period of the in-school work year upon determination of his or her termination of said contract for employment from the Central Lee Community School District.

- d) **Extended Contract Rate-** Bargaining unit employees who exceed their regular teaching load will be additionally compensated as follows:

- 1) Salary divided by 193 days (or days of service) = per diem rate x number of additional days = additional pay.
  - 2) Bargaining unit employees on extended contract under this section shall be paid according to the above formula per diem rate based on a full work day or a pro rated share thereof (not to be pro rated less than 1/2 day).
  - 3) An exception to the above shall be work on curriculum materials which shall be reimbursed at the rate of \$25.00 per hour. The Superintendent must grant approval prior to preparation of curriculum materials for the bargaining unit employee(s) to be eligible for payment.
- (4) Summer Driver's Education shall be reimbursed at the rate of \$150.00 per student.

### INSURANCE

The District agrees to provide all bargaining unit employees the following insurance:

**A. Health and Major Medical:**

Each full time bargaining unit employee of the Central Lee Community School District shall be covered by a single person health and major medical program (\$500 deductible coverage in effect as of 2006-07 contract) - the single premium to be paid by the district. In addition, the district shall contribute the cost of \$206.07\* per month per full time bargaining unit employee towards the family health and major medical insurance. If a full time bargaining unit employee elects not to have family coverage, the dollar amount of \$206.07\* shall be paid to the bargaining unit employee in the form of a tax sheltered annuity or 125 plan. All bargaining unit employees must make an initial written application for said insurance and/or written termination or change in status of said insurance through the Educational Service Center Office.

Part time bargaining unit employees will be provided health and major medical coverage and/or tax sheltered annuity pro-rated on the same basis as their contract. Less than half time bargaining unit employee - no insurance coverage. In the event a change in policy becomes necessary, a new policy must be of at least equivalent specifications to the present health and major medical program. The last sentence recognizes the impossibility of any two companies having identical specifications.

**B. Long Term Disability Insurance**

The Central Lee Community School District will contribute up to age 70, a maximum of .54% net rate as percentage of the covered monthly compensation for equivalent or similar Long Term Disability Insurance as per present specifications. Disability qualifications period being three (3) months (66 2/3 % wages covered).

All bargaining unit employees must make an initial written application for said insurance and/or a written termination or change in status of said insurance through the Educational Service Center Office.

In the event a change in policy becomes necessary, a new policy must be of at least equivalent specifications to the present long term disability program. The last sentence recognizes the impossibility of any two companies having identical specifications.

**C. Dental Insurance**

Each bargaining unit employee of the Central Lee Community School District shall be covered by a single person dental insurance program - the single premium to be paid by the district. All bargaining unit employees must make an initial written application for said insurance and/or a written termination or change in status of said insurance through the Educational Service Center Office.

In the event a change in policy becomes necessary, a new policy must be of at least equivalent specifications to the present dental program. The last sentence recognizes the impossibility of any two companies having identical specifications.

**D. Life Insurance**

**Each bargaining unit employee shall be covered by a term life insurance program paid for by the District that provides a minimum death benefit of \$40,000.**

**E. "Cafeteria and/or "125" Plan**

**In the event that the Central Lee Board of Education enters into an agreement with an insurance provider which offers a "Cafeteria" and/or "125" Plan, thereby allowing the bargaining unit employee an optional menu of benefits which are covered under IRS Section 125, the financial contribution for such benefits provided by the Board of Education for each bargaining unit employee shall be equivalent to the sum of the following:**

- 1. The cost of a single person health and major medical program with at least equivalent specifications to (\$500.00 deductible) coverage.**
- 2. The cost of a single person dental insurance program with at least equivalent specifications to the present coverage.**
- 3. The cost of a Long Term Disability Insurance Program with at least equivalent specifications as the present coverage, up to .54% net rate as a percentage of the covered monthly compensation up to age 70. Disability qualifications period being three (3) months.**
- 4. The cost of a term life insurance policy which provides a minimum death benefit of \$40,000.**

**5. An additional dollar amount of \$206.07\* which can be applied to additional single and/or family insurance coverage, tax sheltered annuity or their 125 plan, or any other menu selections.**

**a. Each bargaining unit employee must make written application and/or written termination through the Educational Service Center Office for all of the above. Mandatory selections required by the "Full Freedom Plan" are:**

C. Vacancy: A vacant position or vacancy exists when a current position becomes available because of death, retirement, resignation, transfer, or termination of a bargaining unit employee and management determines to fill the position. 2. Notice: During the school year, the District shall post all vacancies. Mid-year vacancies may be filled as hereinafter provided, but shall be posted at the time the vacancy occurs. Notices of a mid-year vacancy shall be

posted at the administrative offices and in each building for at least ten (10) school days before the final date when applications must be submitted.
